ABOUT ME

I am Becca an interior designer and artist. Throughout my career I have worked for several award-winning firms and am now looking for my next big move.

We should have environments that help us think, feel and flourish. Through my work, I want to inspire positive impulses. Spaces need to be functional and a good design delivers it with charm and sensibility.

EXPERIENCE

INTERIOR DESIGNER @ VERSA DESIGN
NOV 2021 - PRESENT

Versa Design, located in Troy, MI, specializes in hospitality, commercial, retail, and residential. I am involved in all of the project phases from kick-off to construction administration. My duties include programming, concept design, schematic design, design development, drawing and specifications.

FREELANCE INTERIOR DESIGNER
MAR 2020 - JAN 2024

Primarily doing contract work for Spaces Interior Design and Versa Design. This included primarily commercial and residential projects. My duties included programming, concept design, schematic design, design development, drawing and specifications.

INTERIOR DESIGN ASSISTANT @ Y&Y ARCHITECTS
NOV 2020 - JAN 2021

Young and Young Architects is a high-end residential and commercial firm. While I was there I assisted both the interior and architecture teams with all aspects of the job, from answering the phone to 3D rendering, I truly got to try on many hats.

INTERIOR DESIGNER @ HM HOMES
APR 2018 - MAR 2020

After working a summer internship at this custom home builder during college, I paved my own path as an interior designer. I was in charge of custom millwork drawings, specifications, floor plan revisions and renders. Though not part of the job description, I also did graphic design work and developed our office space to improve the client experience.
